

‘Salon Sundays at Chateau Windrush’

The creative minds who graced our stage

2022 - 2025

Proceeds from all events supported charities empowering vulnerable kids: in Ukraine (through Pure Heart Global Mission) and in Canada (through youthLEADarts). Thank you, Michele Lenick and Marion Yanase, for so greatly contributing to the vision.

“How does one distinguish the true from the false, the beautiful from the ugly, as in life? Is it not at that moment, in the arts, when we are aware of all our senses? When these correspond with our fellow men, we can move freely between serenity and emotion, between thought and action without prejudice...” Lord Yehudi Menuhin, OM KBE & Marilyn’s mentor
